

Vietnam Digital Economy Forum 2018

Challenges & Strategic Solutions for SMEs in the Fourth Industrial Revolution

www.vdef.a-vse.org

Hosted by:

Organized by:

01 November 2018

Rex Hotel, 141 Nguyen Hue Blvd, District 1, Ho Chi Minh City, Vietnam

ABOUT VDEF 2018

The Fourth Industrial Revolution has been creating structural impacts on global economy and society. Every day, millions of people benefit from innovative products and services, digital technology tools in improving corporate productivity and boosting state economic efficiency.

Vietnam Digital Economy Forum 2018 (VDEF-2018) takes Vietnam, a fast growing economy of a 93 million population in South-East Asia, as a business case study to propose specific recommendations for firms, organizations, and professionals from Vietnam and other countries interested in Vietnam. It will be a unique occasion for meeting decision/policy-makers, navigating and implementing strategic initiatives and solutions.

MISSION

Provide an international idea exchange platform for various key players from public to private sector to present, share and discuss about Vietnamese digital economy in well-paced alignment with the Fourth Industrial Revolution

Attract more foreign investment and human resources to Vietnam

1

Apply digital technology to build new economic models and evaluate the factors that affect to Vietnam economic and social development

2

Provide an international idea exchange platform for various key players from public to private sector to present, share and discuss about Vietnamese digital economy in well-paced alignment with the Fourth Industrial Revolution

3

Assist Vietnamese policymakers to plan a comprehensive development strategy for economy, science, technology and human resource training

4

Attract more foreign investment and human resources to Vietnam

5

Support on planning specific development objectives and indicators.

WHY SHOULD BE HERE?

Meet, connect and exchange ideas with policy makers, senior executives, influence leaders

Get involved in discussions on the latest tech trends and innovation ideas

Generate awareness, spawn media exposure, and boost your brand's image.

Find new partners and meet like-minded professionals

Leverage your creativity by learning from experts

WHO SHOULD BE HERE?

Government agencies,
ministries & departments,
policy makers, professionals
from public sector

Researchers, economists,
academics, instructors from
universities, colleges, training
centers, research institutes

Leaders and executives from
companies or non-profit
organizations, ranging from
MNCs, top corporations to
SMEs, start-ups,

Representatives from business
associations, incubators,
consulting organizations,
consulates and chambers,
Press and Media

OCT 31
